### Curriculum Studies

The University of Bath, UK, in conjunction with École Mondiale World School, Mumbai, India, offers an opportunity for qualified educators to participate in the University's MA in Education programmes. The full MA programme comprises five taught units and a dissertation. Each taught unit is followed by individual research and the submission of a 5,000 word written assignment.

In October 2019 the **Curriculum Studies** unit will be taught in Mumbai. The unit, which is relevant to teachers of all age ranges explores a number of issues including fundamental principles and perspectives on curriculum content, organization and design; critical examination of a number of curriculum models (including the International Baccalaureate) and factors that impact upon curriculum change. Evaluation of the curriculum will also be considered.

Participants may use the Masters level credits gained by successful completion of this unit towards the International Baccalaureate Educator Certificates (previously known as IB Teacher Awards Levels 1 and 2).

## Why study a Masters unit at a University of Bath Study Centre?

The Study Centre method of study is based on units taught by a University of Bath tutor, and enables local and international educators to share their experiences and learn together.
